ISSUE OF DIETS NOT AUTHORISED BY THE RULES.

Rule 361-A of the Madras Jail Manual prescribes 4 classes of diet for the tubercular prisoners in the Wellesley Sanatorium Jail, Bellary viz.,

(1) Special Acute No.1.
(2) Special Acute No.2
(3) Invalid diet
(4) Ordinary diet.

While the first three classes of diet are issued to the tubercular patients in the jail hospital, the fourth kind (i.e., Ordinary diet) is issued to all others confined in the Jail irrespective of the fact whether they are tubercular prisoners or not. A certain number of ordinary non-tubercular prisoners is usually obtained by this jail from the Central Jail, Bellary, solely for the employment of the Prison services (such as cooking, sweeping, etc.) which the tubercular prisoners confined in this Jail are unable to perform. The rations issuable to these convicts should be on the scale admissible to the C class ordinary convicts prescribed in rule 347 of the Jail Manual and not on the special and more liberal scale prescribed for the tubercular prisoners in rule 361-A. The extra cost involved per convict per month by the ~~irregularity~~ irregular substitution of the tubercular scale of diet for the ordinary jail scale is Rs.2-0-4 (vide details on the reverse)

ADDITIONAL ITEMS (PER MONTH) FOR EACH TUBERCULAR PRISONER.

	Value at contract rate for 1939-1940. Rs. A. P.	
Sugar at 1 oz. per day 30 ozs. at 9 lbs. 8 ozs. per rupee	0 3 2	
American flour 4 ozs. per day 120 ozs. at 10 lbs. 2 ozs. per Rupee.	0 11 10	1-4-0
Ghee at ½ oz. per day 7½ ozs. at 0-10-9 per lb.	0 5 0	
Curry powder ½ oz. per day 7½ ozs.	0 0 9	
Mutton 4 ozs. per day for 3 days in the week 48 oz. at 3 lbs. 2 ozs. per rupee	0 15 4	
	2 4 1	
Less cost of Dhall at 2 ozs. per day 60 ozs. at 15 lbs. 4 ozs. per Rupee	0 3 9	
Rs.	2 0 4	

As on an average about 30 non-tubercular prisoners are confined in this Jail, the total extra cost involved by the issue of the more liberal diet may be taken roughly as Rs. 60/- per month.

For abt 80 hd from 19-6-35 to 3.2.9401

The practice of issuing the special scale for tubercular prisoners to the non-tubercular convicts may be discontinued immediately or the sanction of Government obtained for the continuance of the procedure. In any case the erroneous issue of the diet on the tubercular scale to the non-tubercular patients made so far would require a report to Government for their approval.

Subject: Jails - Wellesley Sanatorium Jail, Bellary -
Non-tubercular prisoners - Irregular issue
Special diet - Regularisation

plog of file missed According to rule 361-A in Part I of P.R. Manual, Vol II, four kinds of special diets are issued to the tubercular prisoners in the Wellesley Sanatorium Jail Bellary, according to the degree of each prisoners illness. 'C' class non-tubercular prisoners from the local central jail are deputed to attend to prison duties such as sweeping, scavenging and cooking in the Wellesley Sanatorium &c. These non-tubercular prisoners were allowed food according to one of the scales allowed for tubercular prisoners. This was against the rules. The Dy. C. suggested that a separate scale of diet for non-tubercular prisoners employed in the Wellesley Sanatorium jail was necessary (as distinct from the ordinary 'C' class diet) as they are exposed to infection. In G.O. No. 1365 Home Dept dt 18-3-40 a new scale of diet was prescribed for these prisoners. This new scale is now in force.

of issuing an unauthorised scale of diet to non-tuberculous inmates of the 'C' class employed in the Wellesley Sanatorium Jail which was in vogue prior to the issue of Govt. No. 1365-Home(Jails)/16-3-40, (B) and be regularised. The DS. says that the period during which the irregular issue of diet took place may be taken to be from 1936-33 to 3-2-40. | 4 on pp 5-6 CA
